

ATTENTION ALL VISITORS

**We are currently
experiencing an outbreak
of influenza!**

**If you are pregnant, have a chronic
health condition, or have small children,
we recommend that you do not visit
during this time.**

**Please see a member of staff
for more information**

For all the React To Infection resources go to: www.reactto.co.uk

**ATTENTION
ALL VISITORS**

INFLUENZA OUTBREAK!

Due to an outbreak of flu
we need to apply some infection control measures to help us stop the virus spreading.

Please see reception to ask about the person you were visiting, to find out if it's okay to visit and what you need to do.

If you catch the flu, please don't visit until 24 hours after your symptoms stop – you could still pass the virus on!

For all the React To Infection resources go to: www.reactto.co.uk
