

ATTENTION ALL VISITORS

**We are currently
experiencing an outbreak of
vomiting and diarrhoea!**

**Please wash your hands
before and after visiting.**

**See a member of staff for
more information**

For all the React To Infection resources go to: www.reactto.co.uk

HELP PROTECT OUR RESIDENTS

Please do not visit if you
have sickness or diarrhoea

If you have recently had
sickness or diarrhoea please
do not visit until you have been
symptom-free for 48 hours!

All visitors please:

- Wash your hands after arriving and before leaving
- Use the visitor-designated toilets

**If you are ill and must visit,
please speak to a member of staff first**

For all the React To Infection resources go to: www.reactto.co.uk

**ATTENTION
ALL VISITORS**

NOROVIRUS OUTBREAK!

Due to an outbreak of norovirus we need to apply some infection control measures to help us stop the virus spreading.

Please see reception to ask about the person you were visiting, to find out if it's okay to visit and what you need to do.

It's a good idea to wash your hands before you leave the building.

If you catch norovirus, please don't visit for at least 48 hours after your symptoms stop - you could still pass the virus on!

For all the React To Infection resources go to: www.reactto.co.uk
